

Step-by-step immigration guide for Highly skilled migrants

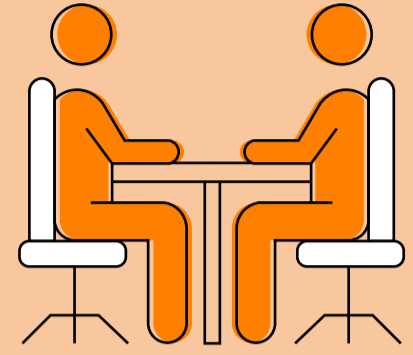

ALL ABOUT EXPATS

ALL ABOUT EXPATS ROADMAP

1

Negotiate job details

Agree with user company / intermediary.

3

Sign employment contract

Highly skilled migrant enters into an **employment contract** with All About Expats.

2

Register online

Provide All About Expats all the necessary information through an **online registration form**.

4

Submit application

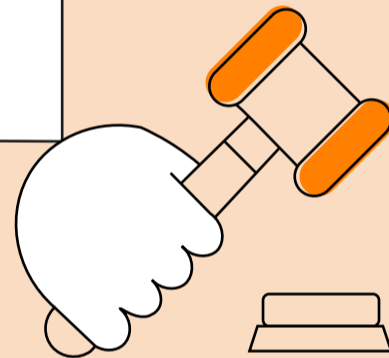

All About Expats submits the application for a residence permit with the **IND** and **starts monitoring the process**.

5

Waiting for approval

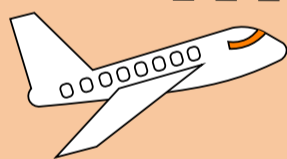

IND starts the procedure, checks the application and makes a **decision**.

6

After approval

- ➔ **Regular Provisional residence permit (MVV) required:**
Collect the MVV at a Dutch embassy before travelling to The Netherlands
- ➔ **Regular Provisional residence permit (MVV) not required:**
Travel to The Netherlands without any extra steps

7

Welcome to The Netherlands

Jump on a plane and travel to our **great country**

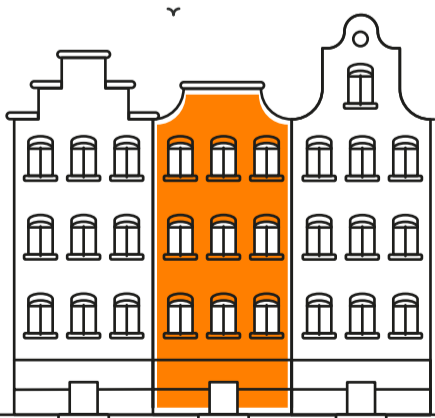

8

Registration

A. Highly skilled migrant registers at the council office or expat desk in the city of residence. Housing is usually already arranged by the user company / intermediary.

B. Collect the residence card or endorsement sticker at the Dutch Immigration & Naturalisation Service (IND) or the nearest Expats desk.

9

Start working

Now it's time to **work and enjoy** our **beautiful country**. Feel at **home** and experience all the **beautiful** things and **people** we have here.

10

Additional arrangements

After step 8, approximately 5 working days later, the Citizen Service Number (BSN) will arrive.

Now it is possible to:

- Request the 30% facility
- Arrange healthcare insurance
- Open a Dutch bank account
- Apply for child benefits
